Re: Holy Trinity Romanian Orthodox Church

To the Romanian Orthodox Episcopate of America:

Our firm is general counsel to the Holy Trinity Romanian Orthodox Church (the "Church"). By this writing, we are providing you with written notice of the Church's election to formally and irrevocably disassociate in all respects from the Romanian Orthodox Episcopate of America (the "Episcopate"), effective immediately. The Church is taking this action at the direction, and pursuant to the authorization, of the Board of Directors/Parish Council of the Church provided at a special meeting of the Board of Directors/Parish Council held on August 14, 2022, wherein the directors voted in favor of the disassociation. In furtherance of the foregoing, the Church has caused its incorporation and governing documents to be amended and/or restated in order to remove all references to the Episcopate and the Church's affiliation with the Episcopate.

Please direct any future communications regarding this letter and/or the Church's disassociation from the Episcopate to my attention.

Sincerely yours,

Anthony C. Grossman
