Your Beatitude Bless!

On the occasion of Your Beatitude's recent election to the See of Patriarch (6th Patriarch of the Romanian Orthodox Church), on our behalf, and on behalf of the Romanian, and Romanian-American community on the American Continent, please accept our sincerest greetings and congratulations.

Uniting our prayers, with the prayers of over eighteen million Orthodox Romanians, Your Beatitude is called upon to pasture in Romania, the Name of Your Beatitude is now commemorated in our homes, and in the Romanian Orthodox Churches on All Continents, asking the Almighty God to bestow on You good health, wisdom, openness and spiritual strength to rightly pasture and lead the flock, bestowed on You by God, on the path of salvation.

With one mouth and one heart, we all recite now the liturgical petition "Among the first, remember, O Lord, + His Beatitude Daniel, the Patriarch of Romania, whom do Thou grant unto Thy Holy Churches in peace, safety, honor, health, and length of days, to teach rightly the word of Thy Truth".

Having knowledge about Your cultural and spiritual openness, in spite of Your young age, and witnessing Your extraordinary achievements as Metropolitan of Moldavia and Bukovina, we are all convinced that by Your election as Patriarch of Romania the Almighty God looked upon the Romanian Church, and gave it the Leader who in serving it, while preserving the Orthodox Values, will promote Orthodoxy beyond the borders of Romania, in today's modern society.

In this day and age, Romania, Europe and the whole World is in need of spiritual affirmation and renewal; we are convinced that the Romanian Orthodox Church, under Your Beatitude's Wise Leadership, will offer the World the authentic Orthodox values and spirituality.

Your Beatitude,

We are all aware of the fact that the Church in Romania is in need of millions upon millions of euros/dollars, in order to implement the multitude of programs: to preserve, strength and practice the Christian faith; to establish humanitarian programs; to minister to the elderly, sick and suffering; to improve the quality of life for the elderly; to promote youth education; to establish and support, for the Orthodox youth and young adults, projects to promote inter-Orthodox fellowship, and common witness to the non-Orthodox... making use of all modern means available (international church involvement and participation, parochial schools, radio, television, internet, etc), as Your Beatitude already did, on a regional basis, while Metropolitan of Moldavia and Bukovina.

NOW You are called upon to do likewise for the whole Church of Romania.

As an Orthodox Christian myself, and in my capacity as president and CEO of PAESI (an affiliate of Peeker Corporation, which develops certain plasma technologies targeting the renewable, clean electrical energy power equipment manufacturing, power generation and power distribution markets world-wide in the effort to meet the energy needs that are essential to fuel growth and to fight poverty on the one hand while preserving the environment on the other) I am committed and stand ready to help the Church through introductions to business and political international community at the highest level, financially, through donations, grants and high leverages of Church funds through risk-free Structured Bank Debenture Trading Programs yielding short term high returns useable for projects such as yours; (a limited profile about us, and our company, is herewith attached, or could be found at: www.peeker-corporation.com).

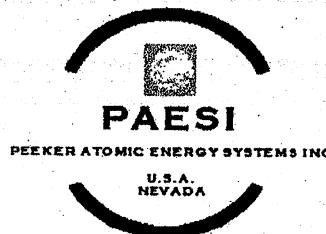

My family, through our companies already made a comittement to Eastern Orthodox Heritage Foundation, an American incorporated non-profit charitable organization (www.eohf.org), which will serve as a proxy for my companies for all its charity and humanitarian projects.

My personal backgrounds and experiences as a scientist, banker, trustee and administrator of the Anglican Trust and all its umbrella of trusts and companies (among which some of the World's largest trust entities going back to a merger between the Finch Trust, including the Hudson Bay Trust Limited and West India Company, and the Hapsburg related wealth, 1936), the Eva E Bean Trust, Michael I and Michael Two Trusts, the Madame Curie Uranium and Radium Mines, The Big Red Uranium Mines, The Yellow Cat Uranium Mines, The Trans Pacific Enterprises, Inc. (Banking Trust Oregon Company), co-share of the International Harvester Corporation, Manhattan Estate Trust, the Southern Baptist Stewardship Program Trust, The Oregon Evangelical Trust, The Oregon Trust, The Great Western Gold and Silver Mines of Nevada, major stake holder in Mobil Oil Company, and other trusts, foundations and companies (many operating in the banking field and energy related businesses), may be found adequate to serve as a valuable addition to your council of advisors commission with the fulfillment of your dreams.

We are convinced that Your Beatitude will show interest in our potential and ability to help shape the future under your vision, and at the right time, may want to meet with myself, and some of our representatives, to analyze the ways and means that we may help the Romanian Orthodox Church on a national and international level.

Once again, Your Beatitude, please accept our sincerest congratulations on the occasion of Your election as Patriarch of the Romanian Orthodox Church.

Sincerely Yours in Christ,
